

Directions to Curriculum Review Sub-Committee Meeting  
(to be held in Room 219 Stone Building, UNC-Greensboro)

**PARKING (Mclver Street Parking Garage, 200 Mclver Street, Greensboro)**

Please park in the Mclver Street Parking Garage, which is Building 169 on the attached map. The street address is 200 Mclver Street, Greensboro, NC. A picture of the garage is posted below. UNCG has a link that can be used to retrieve directions to specific buildings on campus. The link for the Mclver Street Parking Deck is as follows:

<http://parking.uncg.edu/access/access.html?id=Mclver%20Street%20Parking%20Deck>

At the bottom, put in the place where you will be coming from and you should get directions to the parking deck.

To enter the deck you will need to take a ticket, which you should **KEEP WITH YOU** rather than leaving in your car. You will need to validate the ticket to exit the garage.

**WALKING DIRECTIONS (219 Stone Building—Signs for the meeting will be posted along the walking route)**

Once you have parked, look for the **SOUTH** exit from the building (the end that is furthest from the Music building and Market Street). Go down the stairs at the SOUTH exit. At the bottom of the stairs, turn to face away from the garage and walk straight toward a 3 way-intersection (Mclver Street and North Drive). Go down the steps, cross the street, and keep walking straight onto a large pedestrian walkway/wide sidewalk. You will pass a child care center on your right, the Sullivan Science building on your left, and then the School of Nursing and a small house on your right. The next building is the Stone Building (**number 31** on the map—street address is 319 College Avenue). Pass the first wing of the building and come to a small parking lot (with a circle drive). Turn right into the parking lot and go straight to the entrance of the building that you can see at the very end of the parking lot (literally a few feet from the end of the parking lot). Go in that door, walk straight ahead to a door that is for the stairway. Go up one flight of stairs, exit through the stairway door, turn left, and then immediately left again into a small entranceway. Room 219 (Edwards Lounge) will be on your right.

If you need further information on the day of the meeting, please call 336 404 5684.
