Fine Art Posters

Travel around the world through an artisan's eye. The Fine Art Posters highlight the work of two artisans and complement kit topics. The Field Guide provides strategies to weave the fine arts across the learning domains.

Family Postcards

The ideas contained on the 26 bilingual (English/Spanish) Family Postcards promote a strong connection between home and school and can be easily incorporated into daily home routines.

Travel Stamps and Planning Grid

Planning intriguing experiences and organizing lessons based on children's interests have never been easier. Arrange the Travel Stamps with learning experience titles on the Planning Grid. Also includes blank stamps to add your own ideas.
